REPORT OF OFFICERS

PRESIDENT:

Not too much new information this month. The Full Board of Commissioners did approve a small increase – for the calendar year 2020 only beginning with the January pension payment and for those non-mirrored / Medicare eligible retirees receiving \$25,750 or less annually in pension benefits. The increase is approximately \$13.75 per month in the stipend payment and is for the calendar year 2020 only. It would need to be reapproved in the next budget year to be continued. As a reminder, there will not be a Wayne County Employees' Retirement Club meeting in December.

Motion by Brother Pendracki, properly supported by Sister Bauman to accept the President's report as presented. The motion carried.

VICE-PRESIDENT: None

Secretary-Treasurer Report, Comments and Announcements

TWO PENDING ARBITRATION CASES

There were three (3) grievances filed by AFSCME and its Local Unions relating to pension issues of which two (2) survived various court hearings and were remanded for arbitration. They are:

1. **Elimination of 13th Check:** The grievance dealt with the changes Evans and the County Commission to eliminate the funding of the 13th check, taking that money (\$32+ million) away from retirees and using the thirty-two + million dollars, in the “13th check account, as a required County contribution to the pension system.
2. **Medical Insurance for Disability Retirees:** For (30) years, the County had a practice which was supported by the various CBAs and the pension ordinance which provided that people who retired on a duty or non-duty disability pension were entitled to medical insurance as part of their retirement. In 2010, CEO Ficano eliminated this program and the Union filed an unfair labor practice and prevailed.

Arbitration on the 13th check matter is scheduled for December 16, 2019 with the disability retiree health care issue arbitration schedule pending. The Sub-Chapter has been assisting legal counsel in preparation both arbitrations.

WAYNE COUNTY LAWSUIT TO SEAT EVAN’S BOARD

Wayne County CEO Evans filed a lawsuit against the Wayne County Employees’ Retirement System Commissioners (WCERS) demanding the ability to seat his handpicked WCERS Board by expanding the Board to ten (10) members while eliminating one (1) active employee Commissioner and one (1) retired member Commissioner. Wayne County Circuit Judge Leslie Kim Smith issued an opinion on July 31, 2017 denying Evans the ability to seat his WCERS Board. Wayne County filed an appeal with the Michigan Court of Appeals (Case No. 339714) and an appellate court decision, dated May 9, 2019, confirmed the ruling of Judge Smith. Wayne County has filed an application to appeal to the Michigan Supreme Court. Briefs on behalf of all parties have been entered and we now await the “pleasure” of the court. There is now way to estimate when the court will issue a decision on the application to appeal.

PRESCRIPTION CO-PAY SETTLEMENT

Payments by Wayne County of Medicare eligible stipends appear to be consistent with the settlement agreement. A new problem has arisen. Wayne County has apparently decided not to pay pre-Medicare stipends to retirees where either the retiree or spouse is entitled to a Medicare eligible stipend. The Sub-Chapter is gathering information on as many of these situations as possible but has already requested legal counsel to address this problem. The Sub-Chapter continues to pursue a grievance on the issue of the many problems with the Health Reimbursement Accounts at TASC (formerly Genesis). As a partial response the Sub-Chapter received a list from Wayne County of 996 HRA accounts at TASC with balances of more than \$3,000.00 totaling over \$3.5 million. It is evident that the only resolution to those grievances is a

mutually acceptable Health Reimbursement Account (HRA) Plan and that every Medicare eligible class member know their rights and responsibilities under the plan. The Sub-Chapter is seeking a mutually agreed upon HRA plan or that at least a summary plan document be provided to every current and future Medicare eligible retiree. The primary problem is communication with affected retirees. Since no progress has been made in over six (6) months, the Sub-Chapter has demanded arbitration and Wayne County has delayed the process with false excuses. Finally, arbitration scheduled for February 7, 2020.

The 2019-2020 Wayne County budget included an appropriation of approximately \$450,000 for a Medicare eligible stipend enhancement for retirees with a pension of less than \$25,750. An early estimate was that the stipend enhancements would amount to approximately \$13.75 per month in twelve (12) installments for each eligible retiree class member. The Wayne County Chief Financial Officer has stated that the stipend enhancements will begin in January 2020. .
